BEST IN SHOW SENIOR MALE - LAZEEZ AL SHAHANIA (EKS ALIHANDRO X ZT MAKBEY)
BREEDER: AL SHAHANIA STUD DOHA, OWNER: M. COMBETTE MICHEL - ELEVAGE DE GACIA

While summer looked pretty much like fall in France during July and August, it is under very high temperatures that took place the second edition of the French National Days of Arabian Horses. A concept dedicated to the Arabian Horse and its actors, as wished and created by the executive board of the French Arabian horses' association (Aca) and its President Mr Stéphane Chazel.

The historical stadium of Sichon designed by Mr Gustave Eiffel himself welcomed two events from August 13 to 15 2021. Over 50 studs were present during the 3 days competition which is, this year again, a big step forward in the future of the breeding in France.

First day: The endurance breeding Finale opened the national days.

Second day: it was a big day with the qualification classes of the French National Arabian horse show and a breeders

night reuniting actors of the three disciplines (endurance, show and flat race).

Third day: French Nationals Championships and special trophies before we all joined the hippodrome to watch two flat races dedicated to pure arabian horses and sponsored by the Royal Cavalry of Oman and Aca.

The classes of the endurance breeding finale are divided by sex and age: from 1 to 3 years old fillies and colts / geldings which were selected on 14 different competitions throughout the summer in France. The judging panel was: Mr Yves Richardier, Mr Didier Rivière and Mr Marc Veray. Compared to our usual Arabian horse shows which purpose is to rate characteristics of the breed, judges use a rating sheet directed toward the purpose of "endurance". President Mr Stéphane Chazel took the occasion to thank Mr Yves Richardier for his work in favor of the Arabian Horse Breeding in France and worldwide.

The 48th edition of the French National Arabian horse show was again a proof that we are moving forward in the right direction. Not only in quantity and quality of horse but also in the quality of exchanges between breeders. The evening started trophy Aca which awarded two horses:

Ekisma Al Hevan (Shamilah Makassar x Evangelissa | Taif), bred and owned by Ms Marine Lamoureux. The 10 years old bay mare reunites the qualities we expect in an Arabian horse: beauty and performance. Indeed, Ekisma has won 3 endurance races of 120km (ridden by her owner) and succeeded in the French National Arabian horse shows in the past. And has good blood doesn't lie, the daughter of Ekisma, Esmaelia Al Hevan (x Emerald J) was crowned Gold champion senior mare, highest score of the show and Best in show senior mare!

Sharada Evopegasus was the second horse to win the trophy

Aca for her breeder Miroslaw Rogowski, owner of Evopegasus. The stud is based on breeding Polish lines in France. The filly was silver medal in the endurance breeding finale 2021 and participated in the French Nationals as well.

At sunset the stallions' classes started with the 4 years old stallions and 5 years and over stallions followed by the breeder's night. The goal is to reunite the actors of the Arabian horse to meet, exchange, focus on development and party until late...

The final day of the event was dedicated to the French Nationals championships. The 5 champions and special trophies winners ended the show beautifully. Among the breeding's awarded: Marine Lamoureux (Élevage Al Hevan) with Esmaelia Al Hevan which won the Gold Champion Senior Mare, Michel Combette (Élevage de

Jennifer Dhombre (Kalliste Arabians) earned the yearling colts championship with Absolutely Kalliste and the junior fillies championships with Arte' Miss Kalliste. Heraclès Domitia won the Junior males championship and Cassius Domitia the Gelding class for the owners Flavie and Scott Allman (Domitia Farms).

This year a special trophy was awarded to the best mare with foal at foot in the name of the special horseman that left us earlier this year, Mr Amir-Ali Sardar of Shah Arabians. The beautiful Konouz Albidayer won the trophy for her owners Ecurie Brice Dat.

Finally, it was on a racing note that the National Days of Arabian Horses ended. Everyone drove to the hippodrome of Vichy Bellerive where a cocktail took place in the director's loge which terrasse is facing the finish line. The Prix

IFAHR-Royal Cavalry of Oman was won by Fateenah owned by the Royal Cavalry of Oman et the Prix Aca by Nalinka owned by Sheikh Saad Mukhan Bahwan. We want to thank our sponsors especially our main sponsors the Royal Cavalry of Oman but also Albidayer Stud, Haras de Nautiac, Lohenberg Arabians, Kalliste Arabians, De Cartherey Arabians, Shah Arabians and the help of Fonds EPERON.

This year the organizing team made a particular effort on the communication around the event. Interviews, live transmission on Arabian Essence, live transfusion on the social network of the event and the aftermovie have been a great success!!!

Aca thanks all the participants and everyone that worked hard on this beautiful event !!! Rendez-vous in 2022.
